ABOUT US

Al noor electrical contractor, is mainly involved in the design, supply, installation, testing and commissioning of electrical systems for industrial, commercial and residential use. Since its inception, the company has gained a good reputation and has undertaken numerous engineering contracts with various reputed company.

We believe strongly in providing quality service on time and within budget while maintaining safety and cooperating with those involved.

At al noor electrical contractor, we have built our business around understanding our customers' needs & expectations, in order to deliver quality electrical solutions which perform and protect each and every time. Our no compromise approach to our work shows in the finished product. From commercial and retail fit-outs to residential buildings and industries, each project is treated the same. Experienced project managers, qualified electricians and office based support staff ensures that your contract is completed successfully.

We owe our success to our customers who have patronized our services with confidence and trust. We believe strongly in providing quality service on time and within budget while maintaining safety and cooperating with those involved. An emphasis on quality control and customer service ensures that a large portion of our work comes from a number of clients who come back to use our services time and time again. And most of our new contacts approach us as a result of personal recommendations.

Mission

Our mission is to establish long - term, mutually rewarding relationships with each of our valued clients by consistently surpassing their expectations and gaining their trust through exemplary and dedicated performance by every member of the al noor electrical contractor team.

Vision

To be the region's most professional and respected commercial electrical contractor / electrical service provider. We understand that our clients appreciate the focus on preventative & proactive maintenance and the resulting peace of mind that comes from working with us.
